

**Annual Report
of PATA (Under HWCCNC)
2014-15**

We have just passed the year 2014-2015. Like other years we had completed our regular programmes. Due to political restlessness, patients attendance were less in November 2014 to April 2015. After that situation improved & clinic got back its previous schedule.

Renovation & Repairing of the main Building:- We started our project in new building in 2009 & this is the first time we went for a big work like white wash of whole building, repairing of tin shed roof etc in Oct to November. Mistri from Brahmanbaria did the work in a contract basis.

Eye camp with the collaboration of Seva Eye Camp: On April 14, 2014, we had a joint Eye Camp programme . 36 patients came & they were tested properly by an Ophthalmologist. Some of the patients referred to Sadar Hospital for Cataract surgery.

AGM of the Organization:- on 1 May, the Annual General Meeting was held at Gokorno. General Members along with the Executive Members were present at the Meeting. Executive Director Dr. Marufi Khan placed Income & Expenditure of 2014- 2015. She also announced the yearly Budget of 2015- 2016 & It was passed in the Meeting by the members.

EC & the President brought the issue before the members that till today this Project is at threat because one Doctor named Panna Bonik attends the patients very close to HWCCNC Clinic. ED said that she requested this doctor several times

to do his practice with PATA. Many a time he gave word but finally he did not do so. So the EC members insisted the General members to look into the matter. ED said for last few years it has been happening but local elites never interfered to solve this situation which we urged for.

It seems that the G. Members realized the problems & hopefully they would take steps regarding this unwanted situation. Other wise there will be a real crisis of patients in near future. This organization established for the rural people & for last 13 years we are serving Gokorno & nearby area people.

Executive Director visited USA:- Dr Marufi Khan ED , HWCCNC visited her students in the USA in September 2014. It was a great joy that she could able to meet SpaandanB Executive members there. One of the members Zakia Afreen arranged a get together party at her residence in San francisco. It was a real surprise to Dr Khan when Yousuf Iqbal handed over a Yearly calendar to her. He made this calendar with the activity photos of PATA & HWCCNC. The idea was just excellent.

Milad & Puj1a: - With due respect Late Haridasi Devi's departure day celebrated at our premise on 9 February. Hindu Members took part in Puja. Prasad was given to the devotees.

Presence of Muslim Members & well-wishers of HWCCNC & PATA made the Annual Milad a success on 1 May. Tobaruk distributed among the devotees.

Credit & Savings Prog:- Amount of loan (Revolving fund) 2,21,637/- & savings amount 1,25,004/- This Prog running well.

Local donation Received:- Mr Ziaur Rahman an Additional Secretary of Bangladesh Govt & a close friend to Dr Marufi Khan arranged TK 1,00,000 (One Lac) for HWCCNC as donation. Our heartfelt thanks to Mr Rahman. It must be mentioned that Mr Rahman arranged winter clothes for HWCCNC members previously.

Number of Patients in 2014 to 2015 (July to June)	272
